Patient Participation Group

Patient Participation Group Membership

Expression of Interest

Thank you for expressing an interest in becoming a member of our Patient Participation Group (PPG). There are two types of membership:

1 Standard membership -attendance at a meeting every other month alternating between day and evening. It is essential that you are able to attend at least 50% of these meetings to qualify as a standard member.

2 Virtual Patient Participation Group. When we have a vacancy on our Standard Membership you will be asked if you wish to change your membership option. To be a member of the Virtual Membership group it is essential that you have access to emails and a computer as all documents will be sent electronically. Virtual members are encouraged to attend events and take part in activities as and when possible even though they do not attend meetings. We do have just one meeting a year where we ask virtual members to try and attend.

If you are interested in becoming a Standard or Virtual Member please contact me by any of the methods listed below. I will be in touch as soon as possible following your request to become either a Standard or Virtual member.

You may like to attend a meeting to see how everything works before committing yourself to membership. Should you wish to discuss this further and/or attend a meeting then please contact me by either of the methods below. There may be a delay between you leaving your details and my reply so please be patient.

The contact details are:

Email: ppgwaterloo@gmail.com

Via Reception at the practice . Please leave all your contact details and ask the Receptionist to pass them on. Via the PPG box at side of PPG Noticeboard. Please complete one of the slips in the plastic wallet and post in the box.

Thank you for your interest in joining Waterloo Surgery PPG and I look forward to working with you in the near future.

Many thanks

Joan

Chair of Waterloo PPG
